Dear Betsy:

Tikamis? I hope all is well with you and the family. Thank you so much for helping us with Danny, I feel safe that he is being picked-up by you.

Needless to say I am very sad that things had to turn out this way and once again I find myself struggling to find a way to survive but hey! I guess that is what life is all about, or at least what I have to endure, right?

I will be in Argentina, studying and working so I can return home. Norberto too will be studying and in 2-years we will get our degrees and get a job contract in U.S.A or Canada.

Europe is not for us, it is too expensive and the crisis but so hard that people are even struggling to find a job at local restaurants!

My boss is an economist and he assured me that I am making the right choice ~~by~~ by going to Argentina because not only we have a home there, but also FREE EDUCATION.

I will work very hard to achieve my goal and Norberto will help me.

I have my Italian passport so we can travel to Canada and perhaps we can meet out-there for a week or so, what do you think? Bring Danny and the kids, of course!

Please keep a close-eye on Danny and always let me know what is going on, OK?

I'm giving you my address in Argentina and my phone number. here it is:

Neni has a way to get a hold of me thru FACEBOOK which is faster also, so please let her know ok? Remember I am going to be thinking of you and my dear son, which tears me apart to know I will not see until next summer. I love him and I am going to sacrifice once again to try to be with him back home, where I belong. U.S.A.

I miss you and everyone who is special in my life.

Please keep in touch, ok?

With all my love,

Bebe

Mirna

PD: (Saludos a Oscar and your wonderful kids, tell them I said hi)
